

14th Annual 4XKIDS DAY for CAMP RILEY Sponsorship Form

Fat Boys Jeepers will be hosting our 14th Annual Bradford Woods/Camp Riley 4XKIDS DAY at Camp Riley on July 16, 2016. As you may already know, we will provide the opportunity to approximately 200 campers and staff to experience the excitement of 4X4 Off Road trail rides at Camp Riley. Many campers at Camp Riley have disabilities such as Cerebral Palsy,

Spina Bifida or Down Syndrome, and have never had a chance to ride off road. This event is truly one of the high points during their stay at Camp Riley.

A special limited edition, commemorative event t-shirts marking this special dedication will be presented to each camper, participant and sponsor. Each year this event gets bigger, and the participants have as much fun as the campers! To offset the expenses for the day's activities, we are asking for your support. Space on the back of this special commemorative t-shirt will be reserved to recognize your help. Corporate sponsors and member clubs will receive a commemorative cap with the organization name and event year embroidered on the back of each cap. Individual donor's caps will include the event year on the back. The front of the cap includes a full color embroidered 4XKIDS logo, creating a great looking cap that you will be proud to wear at future off road events or corporate functions.

Please plan to participate in this great event! Listed below are suggested levels of support...
